3508841	CrystalLed™ Marine 72	450mA	104W	11401Lm	4500K, 6000K	65 / 67

High Bay

The High-Bay lamp is ideal for a range of environments, particularly for storage and sports. It can be used for one-to-one replacement, which allows for easy installation and reduces cost. The lamp has three different beam angles and is delivered with IP65.

Light distribution curve

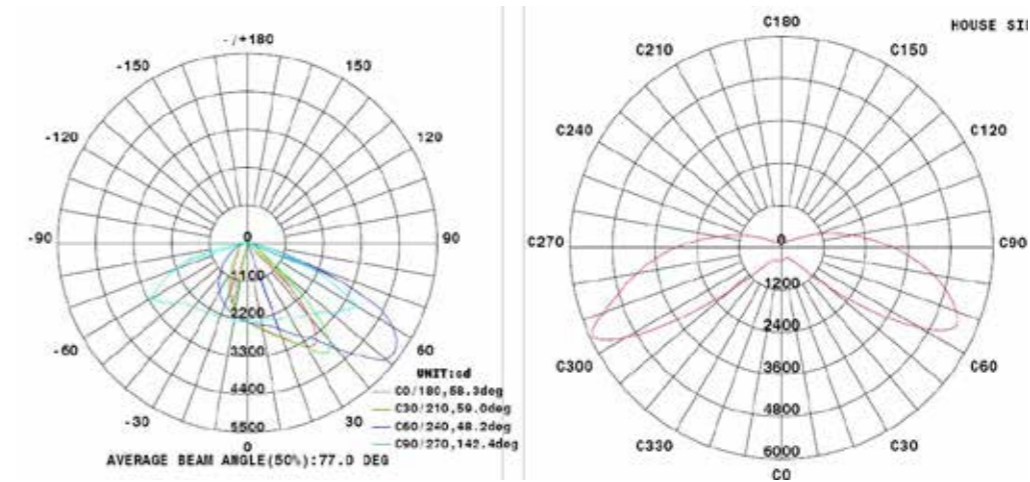

Product	Power	Total lumen output (5000k)	Color temperature	Dimensions
LG-HB220-W100	100W	9800Lm	2700-6500K	500x411mm
LG-HB220-W150	150W	13600Lm	2700-6500K	500x411mm
LG-HB220-W200	200W	19600Lm	2700-6500K	500x561mm
LG-HB220-W300	300W	29500Lm	2700-6500K	568x557mm
LG-HB220-W400	400W	38700Lm	2700-6500K	568x607mm

LED Street Light

LED Street light has a modular design and is delivered in a range of different sizes. The lamp has various beam angles and the installation angle can be adjusted from -15 to +15. LED Street light is delivered with IP65.

Light distribution curve

Product	Power	Total lumen output (5000k)	Color temperature	Dimensions
LG-ST300-W060	60W	5850Lm	2700-6500K	519x307x139mm
LG-ST300-W120	120W	12150Lm	2700-6500K	669x307x139mm
LG-ST300-W180	180W	18000Lm	2700-6500K	819x307x139mm
LG-ST300-W240	240W	23520Lm	2700-6500K	894x307x139mm
LG-ST300-W300	300W	29400Lm	2700-6500K	1119x307x139mm
