

Customer Information concerning REACH – SVHC-Substances

REACH, the European Chemicals Regulation has been directly applicable in all EU member states since January 1st, 2007.

Effective from October, 28th, 2008, the candidate list of SVHC-substances* according to article 59 (1, 10) of Regulation (EC) No 1907/2006 („REACH“) has been published. Based on article 33, REACH regulation, our suppliers are obliged to inform us actively if substances are included in the preparations and products delivered to us in concentrations higher than 0.1 % by weight.

Based on today's state of knowledge and on previous statements from our suppliers, Ledlight Group AS does not use any materials that contain substances indicated in the candidate list (status: Dec, 16, 2013) in concentrations higher than 0.1 % by weight.

In case we get updated information from our suppliers, we will fulfill our obligation to inform our customers accordingly.

Sincerely,
Ledlight Group AS
